

Together we can make life better

The money your Cake Break raises in May 2015 will help us to provide better treatments, support and information for everyone affected by MS.

One person's coffee & cake donation...

could give someone who's just found out they have MS the information they need to start managing it.

could buy a physiotherapy ball to help improve movement for someone with MS.

could run the MS helpline for 15 minutes, giving someone emotional support when it's really needed.

When everyone clubs together...

could pay for an hour of research with an MRI scanner to better understand what happens in MS.

could buy a much needed respite break for a family living with MS.

could go towards a mobility scooter to help someone with MS get their independence back.

Multiple Sclerosis Society

Let's be there for each other
