

# Cake Break

Join us. Beat MS!

## Together we can bake life better

The money your Cake Break raises in May 2016 will help us provide better treatments, support and information for everyone affected by MS.

### Your coffee and cake donation...

could give someone who's just found out they have MS the information they need

could buy a physiotherapy ball to help improve movement for someone with MS

could help run the MS Helpline for 15 minutes, giving someone emotional support when they really need it

### Together our Cake Break...

£200

could pay for an hour of research with an MRI scanner to better understand what happens in MS

£350

could fund a much needed respite break for a family living with MS

£500

could go towards a mobility scooter to help someone with MS get their independence back
