Summer Cake Break

What does summer taste like to you? Whether it's strawberries and cream or pudding and Pimms, it's the perfect time to take a Cake Break, summer style.

Theme it

You could go for a simple summery theme, hold a Wimbledon strawberries and cream Cake Break or even try a summer sports day theme.

Get fruity

Make the most of seasonal summer fruits, and include healthier options for your guests. What fruity treats are in your recipe book?

Plan B

We all know you can't rely on the British summer! If you're planning to take your Cake Break outside, have a back-up plan in case of bad weather. Use your dining room instead, or have a gazebo ready to shelter your guests.

Get inspired

Keep things interesting if you're a Cake Break pro and try a new recipe from your favourite baking show or celebrity chef. You'll find lots of recipes at cakebreak.org.uk.

Pudding and Pimms

Summer means Pimms! A pudding and Pimms Cake Break is a great excuse for a get together with friends, while raising funds too. Don't forget to offer a non-alcoholic fruity punch too.
